JOIN THE MOVEMENT! HUBBARD PAVES THE WAY FOR FLORIDA'S WORKFORCE

Hubbard Construction, a leader in transportation infrastructure for nearly a century, has built a reputation for quality, innovation, and dedication to the communities it serves. Hubbard is a multifaceted general contracting company that performs design-build and bid-build projects throughout Florida.

Its services include roadway construction, railway and bridge construction, asphalt manufacturing, and paving, site work and development, and more. Hubbard's team of professionals has constructed infrastructure projects ranging from the I-95 Broward Express Lanes to Port Fernandina in Jacksonville, FL, and countless others. They are leading the way through a focus on safety, innovation, quality, service, and community, as well as the continued education of their workforce.

As a loyal partner in the SWWFD Program, Hubbard has significantly impacted Florida's workforce, helping to strengthen the state's transportation construction industry.

Beyond their impressive portfolio of projects, Hubbard has been a dedicated participant in several SWWFD initiatives. They have partnered with numerous tabling and hiring events, collaborating closely with community partners to connect job seekers with meaningful opportunities. Their involvement in the Student and Young Adult Construction Internship and Contractors Job-Readiness Hiring & Training Initiatives further reflects Hubbard's dedication to preparing the next generation of industry professionals.

HUBBARD

We thank Hubbard for their unwavering commitment to workforce development and the invaluable contributions they continue to bring to SWWFD and our communities!

If you're an FDOT contractor looking to make a difference in workforce development, we invite you to join us! Over 122 FDOT contractors are actively engaged with SWWFD. Partner, attend an upcoming event, or register on the FloridaRoadJobs.com website to explore how we can collaborate to strengthen Florida's construction industry together.

What's Your Story?

Do you want to share a great success story about a SWWFD referral or new hire? We want to hear from you. Please email us at
